

# Finding The Best Hemorrhoids Remedies To stop The Suffering

**Y**ou currently suffer, or have ever suffered from hemorrhoids, you're probably well aware of the hundreds of **hemorrhoids** remedies floating around out there - from over-the-counter creams as well as suppositories to prescription pills, from old home remedies to be able to traditional Chinese medicine. However, my own research has turned up three primary issues related to **hemorrhoids** that I believe any sort of remedy or course of treatment should address.

## The Pain in My Rear

Regardless of the underlying result in of your hemorrhoids, just one thing is for certain - they are unpleasant! Pain, itching, burning, and bleeding are in no way pleasurable, specially when it's an region of your system that sees a lot of action in the form of walking, sitting down, and "eliminating." Understandably, many hemorrhoid patients go quickly for something - anything - that will ease their pain and discomfort.

## This Includes Remedies Like Over-the-Counter Creams, Suppositories, and Medicated Pads

Some even claim to have components to be able to reduce the pain and also shrink swelling. I don't know about you, but I've in no way seen my hemorrhoids shrink like the persons on tv describe, plus the anesthetic cream did entirely nothing for me personally.

*“ Hospitals do prescribe witch hazel pads for new mothers with hemorrhoid difficulties, so that is certainly definitely one temporary solution worth investigating. We have also found petroleum jelly to aid ease the actual discomfort while I simply waited for the hemorrhoid to go away on its own.*

But individuals hemorrhoids remedies merely treat the symptoms, making an effort to relax the cells as well as keep the positioning moist and lubricated. What about the underlying lead to of the **piles**?

## Pump Your Poop

Yes, you might have also probably heard that fiber is very important in preventing future hemorrhoids. Guess what? It is. However, you need to be very careful when increasing your fiber intake, so that you also drink lots of water. Otherwise, you may just cause or increase constipation and make your hemorrhoids a whole lot worse.

Diet high in fiber is important not only for hemorrhoids, but in addition for your general health, so it is a good idea to move in that direction as much as possible. So what are the main causes and aggravators of hemorrhoids?

## Turn Piles to Smiles

You may already be aware that constipation (or diarrhea) and straining in the course of **bowel** movements can bring about or aggravate hemorrhoids. Nevertheless, hypertension (high blood pressure) can also result in hemorrhoids.

*Obesity, sitting too long, and poor muscle tone or perhaps posture are also contributors to be able to hemorrhoid problems, much like being pregnant, cigarette smoking, and excessive consumption of alcohol or caffeine.*

So, do yourself a favor and make at least some minor changes to your diet and/or way of life if you've complications with piles. Positive, quick for me to sit here in comfort and say that, so I recognize that you may also be looking for something to speed up the recovery process, proper?

## Magic Bullets

There are a number of hemorrhoids cures that people swear by to eliminate or reduce their problems in as little as a few days. Wanna know a cheap, fast and easy temporary treatment?

Ice. That's right. Plain ice from clean water. It will work wonders on this and may even help shrink your hemorrhoids. If the original lotion works for you, that's fine, but I'm telling you - ice is just magical.

## I've Also Heard from Friends Who Use Astringents

Like alum or witch hazel - to wash the - ahem - hemorrhoid area a few times a day, and that may help speed up the recovery process. But if you just apply ice 2-3 times a day, make sure your diet will give you soft bowel movements, and keep the area clean and somewhat lubricated (with petroleum jelly, e.g.), you'll probably not have to suffer with piles for too long.

*Over the years of investigation, I have found one "effective" system that will show you How to Naturally Get Rid of Hemorrhoids and Eliminate Piles by using well-tested, proven methods that work with no side effects to your wellbeing.*
